

## TRUSTEES MET WITH PUTNAM CO. ASSESSOR

TRUSTEES ON PERSONAL  
PROPERTY FOR SPRING  
ASSESSMENT

The trustees of Putnam county will act as assessors, met with Frank Cooper, county assessor, on Wednesday and fixed prices of personal property which will come up for assessment after the first of March, when assessing work will get underway.

Prices fixed by the assessors in many instances are high and they expressed the opinion that a little livestock will be assessed at the highest price fixed by them in their meeting. They also expect the downward prices on the market for this year over when tops were available on all markets.

The value of horses was fixed as follows:

First class, \$200 and down.

Work horses, \$50 and down.

Under horses, \$40 to \$20 and down.

Mules \$100 and down.

Registered cows, \$100 and down.

Good cows, \$150 and down.

Stock cattle, 12 cents lb.

Good feeders, 12 cents lb.

Fat cattle, 15 cents lb.

Sheep

Registered sheep, 30 cents and down.

All other sheep, 15 cents and down.

Hogs

Good brood sows with pigs a few weeks old, \$100 and down.

Stock hogs, 12 cents lb.

Fat hogs 15 cents lb.

Poultry

Chickens, ducks, \$7 dozen.

Turkeys, \$4 per head.

Geese, \$12 a dozen.

Farm Products

Wheat, \$1.25 bushel; rye, same; corn, 70 cents; oats, 40 cents; soy beans, \$1.50; clover seed, \$20; timothy seed, \$3; sweet clover seed, \$10; alfalfa seed, \$20; clover hay, \$15 per ton; mixed hay, \$15 per ton; alfalfa hay, \$15; bean hay, \$15; haled straw, \$10 per ton; wool 25 cents lb.

These prices are about 70 percent of present day market prices, Mr. Cooper reported.

## Mate Held As Murder Suspect

INDIANAPOLIS, Feb. 24.—(INS)—Indiana state police today refused to reveal the result of a lie detector test given to Ernie Sells, of New Castle, a suspect in the slaying of his pretty 17-year-old wife, Lillian.

INDIANAPOLIS, Feb. 24.—(UP)—Ernest Sells was questioned today by state police about the murder of his 17-year-old divorced wife, whose body was found in a deserted lovers' lane near New Castle, Ind.

Officials said that the body was identified last night as that of Mrs. Lillian Sells, Matthews, Ind. The identification was made by the victim's mother, Mrs. Floyd Beckett, also of Matthews, several hours after the body was found.

Two junkmen found the body near a pool of blood. Coroner Ralph Dryer said Mrs. Sells died of shock from a blow on the head. He said there were knife wounds on the body, and that she had been dead for about 12 hours when she was found.

Authorities had thought that the victim was about 35 years old, but Mrs. Beckett said Mrs. Sells looked "old for her age."

## 20 Years Ago IN GREENCASTLE

Mrs. Guy Fickens was confined to her home by illness.

Mr. and Mrs. John A. Friend and daughter visited in Effingham, Ill.

Kenneth Todd spent the day in Brazil.

Mrs. W. M. McCaughey returned from a ten day trip to Florida.

Elmer Stanger sustained a knee injury at the Midwest stone quarry.

## IN JAPAN

Pvt. Thomas A. McClure

Pvt. McClure is serving with the 1st Cavalry Division in Tokyo, Japan. He recently completed a ten weeks course in mechanics at the 8th Cavalry Ordnance School in Yokohama. He is the husband of George Lyatt McClure and the grandson of Mr. and Mrs. Don Chavil of Greencastle.

## Laymen's Day Set For Sunday

Floyd Bass, New Augusta, lay leader of the Northwest Indiana Conference of the Methodist Church, has announced that Laymen's Day will be observed Sunday, Feb. 27, in many Methodist churches in this section of the State.

Authorized by the denomination's General Conference, Laymen's Day is annually observed on the fourth Sunday in February. It is estimated that well over 100,000 Methodist laymen took active part in last year's day services across the nation, and an even wider observance of the day is anticipated this year.

## New Dodge On Display Friday

The Putnam Motor Sales will host to hundreds of Putnam County residents, who have looked forward with interest to seeing the new 1949 Dodge automobile. Friday, Feb. 25th, is the day when they will first be shown over the nation, and Walter Ballard has extended an invitation to all to be the guests of the Putnam Motor Sales and its organization on this day.

New exterior styling, greater interior roominess, and a new, higher 7.0 to 1 compression "Get-Away" engine, feature the new Dodge cars, L. L. Colbert, President, Dodge Division of Chrysler Corporation announced today.

Dodge models are being manufactured on two wheelbases. The new Coronet and Meadowbrook models on a 123 1/2 inch wheelbase, a 4 inch increase replace the former custom and deluxe cars. A wholly new addition to the Dodge line is the lower priced Wayfarer on a wheelbase of 115 inches.

"The new Dodge has been designed from the inside out to provide more head room, leg room and elbow room," Mr. Colbert said. At the same time, he emphasized that exterior dimensions have been decreased. The new models are lower in height, shorter in overall length and narrower in overall width in comparison with previous models—welcome parking and guarding news.

In the Coronet and Meadowbrook models, front seats are six inches wider and rear seats nearly eight inches wider. Dodge "knee-level" seats have been retained and head room is now the same for both front and rear seat passengers. In relation to the rear axle, seats have been moved forward to further improve Dodge's well-known "cradled ride." The new stationary footrest for rear seat passengers is scientifically placed for proper support and rear seat leg room is unaffected by the five.

## GREENCASTLE IS HOST FOR NET TOURNAY

SECTIONAL MEET OPENS IN  
TIGER CUB GYM THIS  
EVENING

Greencastle will be host to seven Putnam county high school basketball teams this weekend during the annual sectional tournament which opens in the Tiger Cub gymnasium this evening at 7 o'clock.

All fans, especially the Greencastle rooters, are urged to display just as good sportsmanship in the bleachers as the boys playing on the hardwood court will show their opponents. Fans are asked to remember that the officials were selected by the Indiana High School Athletic Association and that their decisions will be final.

The seven Putnam teams and the Tiger Cubs are competing in the sectional strictly a county affair. All indications point to large crowds at each session which factor alone will add to the interest and excitement of very contest.

Roachdale and Reelsville opened hostilities at 7 p. m. with Belle Union and Bainbridge angling in the closing tilt.

Tomorrow evening, Greencastle will clash with Russellville and Fillmore, Wabash Valley realm champs, take on Cloverdale.

Fans are expecting to see plenty of action and hoping that every game will be close and hard fought.

The semi-finals will be held Saturday afternoon and the sectional champion will be determined Saturday night. The winner here goes to the Attica regional, March 5, and will meet the Crawfordsville winner.

## Good Prices At Goodman Sale

The Goodman sale held Wednesday at the Donner farm west of the city was largely attended and prices were high. One Hereford cow, 8 years old, sold for \$350. A John Deere tractor used but little and two years old, sold for \$2,000, slightly more than its original cost, but less than the present cost. Other articles sold proportionately high.

## Says Vatican Had Spy Ring

SOFIA, Feb. 24.—(UP)—Bulgarian Foreign Minister Vasil Kolarov charged today that the Vatican maintained a clerical espionage ring in eastern Europe and forced its members to spy on and betray their mother countries.

Kolarov said in a statement supporting the so-called "Cults Bill" that it would safeguard the Bulgarian clergy from pressure to disclose state secrets.

"The epoch of Jesuitism is past," said the Communist minister who doubles as deputy premier.

The foreign minister's statement was made in parliament shortly after the Bulgarian government issued a 55-page booklet charging that 15 Evangelical (Protestant) ministers had been "caught red-handed" in a vast spy ring "definitely manipulated from abroad." The clergymen were arrested last December.

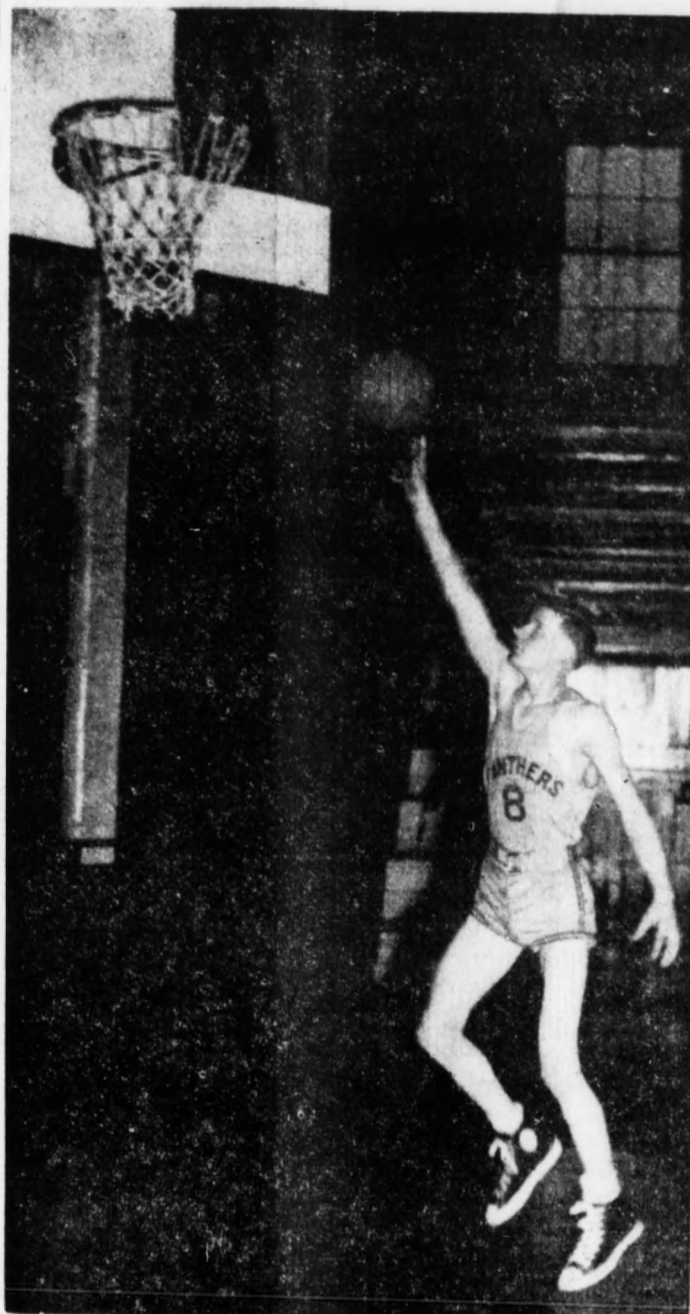

The ministers, who have been accused of treason, espionage and black-market currency deals, go on trial Friday. The charges against them are similar to those on which Joseph Cardinal Mindszenty was convicted and sentenced to life imprisonment in Hungary.

## KILLED BY SAW

LEBANON, Ind., Feb. 24.—(UP)—Virgil Carlton, 50, Voss, Ky., died yesterday from injuries suffered in an accident at the B. F. Hendrich Lumber Company where he was employed.

Carlton arrived here Monday evening and was hired by the lumber company the following morning. About 30 minutes after he started to work he walked past a large saw. The saw caught his sleeve and pulled him into it.

## SCORE KEEPER -- ADD 2 MORE POINTS

Bobby Ziegelman, Belle Union star, and high scorer for the season among the Putnam county high school basketball players, is shown in action at the Greencastle gym as he drilled for the sectional tournament which opens here tonight. The Black Panthers clash with the Bainbridge Pointers in the second tilt this evening and the attention of the fans as well as opposing players will be centered on young Mr. Ziegelman, who collected 311 points in 18 games during the winter.

## PLAN PEP PARADE FRIDAY AFTERNOON

The Greencastle High School will hold a booster parade in the downtown district Friday afternoon prior to their basketball game Friday night in the sectional tournament.

The band will lead the paraders around the square from the high school building. Yells and songs will be given from the court house yard and a regulation "pep" session will be held. The parade will start at 3:15 o'clock.

## FAVOR ATLANTIC PACT

OSLO, Feb. 24.—(UP)—Foreign Minister Halvard M. Lange told parliament today that the Norwegian government believes it should join discussions on the North Atlantic pact immediately.

## Civil Rights Dispute Boils

WASHINGTON, Feb. 24.—(UP)—Republicans and Democrats alike maneuvered today for political advantage in the civil rights disputes boiling up in the Senate.

Senators faced the Civil Rights issue on at least three fronts, as follows:

1. How and when to break a filibuster against changing the Senate's rules of debate, traditionally the southerners' first line of defense against Civil Rights bills.
2. Whether new labor legislation shall forbid union discrimination against negroes.
3. Whether public housing legislation shall forbid racial discrimination in all such developments.

## LABOR BILL TO CONGRESS IN TWO WEEKS

MEASURE BY ADMINISTRATION  
READY FOR DEBATE BY THAT TIME

WASHINGTON, Feb. 24.—(UP)—Two Democratic members of the Senate Labor Committee predicted today that the administration's labor bill will be ready for floor debate in less than two weeks.

Sen. James E. Murray, Mont., and Sen. Claude Pepper, Fla., both backers of the administration bill, said they don't expect any substantial change in President Truman's measure. The bill would repeal the Taft-Hartley law, passed by the Republican-controlled 80th Congress, and replace it with an "improved" Wagner Act.

Republican committee members have not shown any signs of dragging out the writing of the bill beyond a week or 10 days. But once the measure is okayed by the committee, it faces a lengthy Senate debate.

Sen. Robert A. Taft, R., O., ranking minority member of the committee, said Republicans will get together themselves to decide what amendments to push when the bill comes before the full Senate. Republicans efforts to revise the administration bill are expected to get the support of at least 12 southern Democrats.

Just before the Labor Committee concluded 19 days of hearings on the measure last night, spokesmen for the National Negro Council and American Council on Human Rights proposed that any protection provided under the new law be denied to unions discriminating against workers because of race or religion.

## New Financial System Urged

WASHINGTON, Feb. 24.—(UP)—The Hoover Commission advised Congress today to get rid of the government's archaic, inadequate and patchwork financial system and set up new budgeting and accounting procedures.

In asking that fiscal policies, which have "come down from Alexander Hamilton," be ended, the commission recommended that the government should be reorganized, based upon functions, activities and projects to be done. It would replace the present federal budget system which emphasizes personnel services, supplies and equipment with no uniformity and sometimes without identification.

## KILLS DEER WITH PLANE WHEEL WHILE LANDING

Lt. Col. Earl L. Johnson, Greencastle, Ind., is shown on the right, looking at the six point, 100 lb. deer that he collided with while coming in for a landing at Harmon AFB on Guam late last month. The deer was struck by the plane's left wheel and unfortunately was killed. The plane suffered no damage and a safe landing was made.

Colonel Johnson is the flying safety officer at headquarters, Twentieth Air Force, having arrived on the island last October from the United States. He is the son of Mr. and Mrs. E. L. Johnson of Greencastle, Indiana. A sister, Mrs. Brooks Wynne, lives at 936 Judson Avenue, in Evanston, Illinois.

After attending high school in Crawfordsville, Indiana he went on to Wabash College in the same city. He afterwards was in the Insurance and Automobile business prior to entering the service in 1941.

## MANY BARGAINS IN EARLY BIRD SALE

With the opening of the Early Bird Sale in Greencastle Thursday morning the merchants had on display articles of unusual value at greatly reduced prices. Those fortunate enough to take advantage of the offers found that the merchants had bargains offered at wholesale cost.

The sale will continue through Friday and Saturday with different items reduced for each day. It pays to shop early and to take advantage of these unusual offers.

## BULLETINS

INDIANAPOLIS, Feb. 24.—(INS)—The Indiana House of Representatives today undertook laborious and methodical consideration of the record \$208 million budget bill.

Meanwhile in the Senate, two House measures were advanced. Senate committees reported favorably upon House bill 172 which mandates withholding of gross income taxes by employers and on House bill 212 which prohibits segregation or discrimination in all public schools.

The Senate also approved the Gardner bill raising the minimum age for commitment to the Indiana girls school from 10 to 12 years and fixed the maximum age for commitment at 18.

The Senate also postponed final action upon the House-passed compulsory Utility Arbitration Act bill until Tuesday.

NEW YORK, Feb. 24.—(INS)

Bishop G. Bromley Oxnam, head of the New York district of the Methodist Church, struck out last night against what he called "a new form of lynching... this labeling of patriotic citizens as Communists."

Bishop Oxnam spoke at the annual dinner of "The Churchman" where he was awarded the Protestant Episcopal weekly's 1949 award for his "promotion of good will and better understanding among all peoples."

A number of prominent persons withdrew as sponsors of the dinner, and rejected invitations to attend. Bishop Oxnam told the 500 diners present that efforts were made to have him stay away from the affair.

The Bishop said—"Representations were made to me that ran the gamut from request to demand to threat, the object being to secure the withdrawal of my acceptance and the destruction of The Churchman, a liberal church journal with more than a hundred years of history behind it."

WASHINGTON, Feb. 24.—(INS)—President Truman made it clear today that when he called a radio commentator an "S. O. B." the other night he meant just that and nothing milder.

The chief executive engaged in a running fire of badinage at his news conference over his use of the "smile-when-you-say-that-stranger" expression in reference to Drew Pearson's criticism of White House Military Aide Maj. Gen. Harry H. Vaughan.

Pearson blasted Vaughan for accepting a decoration from Argentina.

## Yugoslavs Offer To Compromise

LONDON, Feb. 24.—(UP)—Yugoslavia offered today to compromise her territorial and reparations claims against Austria, partly removing two of the major obstacles to the signing of an Austrian peace treaty.

Yugoslav Deputy Foreign Minister Ales Bebler, testifying before the big four deputy foreign ministers, said that Yugoslavia still wanted reparations and territorial gains but he failed to renew his previous specific demands and clearly sought a compromise.

Yugoslavia originally demanded at least \$150,000,000 in reparations and 728 square miles of Austrian territory.

## PEACE PACT FOR PALESTINE SIGNED TODAY

HISTORIC ARMISTICE WAS  
SIGNED BY ISRAEL  
AND EGYPTIANS

RHODES, Feb. 24.—(UP)—Israel signed an historic armistice with Egypt today in a brief 22-minute ceremony which laid the basis for permanent peace in the Holy Land.

In the armistice Israel won De Facto recognition from the Arab states, which immediately lined up to follow Egypt's example and make peace with Tel Aviv.

The agreement gave Israel the ancient city of Beersheba and 25 Jewish settlements in the Negev captured during last October's bitter battles.

Egypt won a 100-square-mile slice of southern Palestine covering a 20 by 5 mile strip along the coast from Gaza south to the Egyptian border.

Five copies of the armistice were officially initiated between 10:30 A. M. and 10:44 A. M. today but war between Israel and Egypt actually ended last night when both sides joked and discussed their battles at a champagne party celebrating the agreement.

The signing was a personal triumph for Dr. Ralph Bunche, the American Negro Quaker who became acting Palestine mediator for the United Nations when Count Folke Bernadotte was assassinated in Jerusalem last year.

Other Arab nations are expected to follow Egypt's lead and sign armistices with Israel shortly.

Negotiations between Israel and Transjordan will begin here Monday, with Lebanon and Syria joining in simultaneous talks. Iraq and Saudi Arabia have announced they will adhere to agreements signed by other Arab states.

The armistice provides for: 1. Occupation by lightly-armed Israeli "defensive forces" of the Negev desert area won in last October's battles, which include a large number of settlements.

2. Occupation by similar Egyptian "defensive forces" of a strip of southern Palestine on the Gaza-Rafa area.

3. Evacuation of encircled Egyptian forces and such Arab civilians as wish to leave Faluja.

3. Establishment of a seven-man armistice commission to sit at El Auga to supervise the armistice. The commission will be composed of three men from each side and headed by Brig. Gen. William E. Riley, head of the UN observers staff. Jewish forces will withdraw from El Auga and the area will be demilitarized.

5. Retreat of Egyptian "striking forces" from the Bethlehem-Hebron area to points behind the Egyptian frontier.

6. Withdrawal of Israeli "striking forces" from Bir Asluj and El Asja to behind the line from which they launched their Negev offensive last Oct. 14.

This last point of the agreement gave Beersheba to Israel by default. The Oct. 14 line is south of Beersheba, and the ancient city still will be within Jewish lines.

Actually, however, the two sides agreed informally to leave the question of Beersheba to be decided by the Israeli negotiations with Transjordan. Trans-

## ARMISTICE SIGNED

Jordan troops, however, never have occupied Beesheba in strength and it is doubtful if the Transjordan claim would be considered any stronger than the Egyptian claim.

The two armies agreed not to advance across the lines laid down in the agreement. They pledged themselves to keep "scrupulously" the UN Security Council's injunction not to settle the Palestine problem by force.

The agreement cleared the way for complete peace in the Holy Land. United Nations officials were optimistic that the armistice would be followed by a final peace settlement.

## Studies Report On Hospital Death

INDIANAPOLIS, Feb. 24.—(UP)—Governor Schriker today studied a report submitted to him on the death of a 75-year-old inmate of the Richmond State Hospital last week.

Arthur G. Loftin, acting director of the Indiana Council for Mental Health, said the formal report said that William Stewart was "definitely" assaulted.

Stewart died Saturday and authorities said he had been badly beaten.

State police and county auth-

ities continued to question hospital employees in an investigation of the death.

## SOCIETY

Mrs. Seller Hostess  
To 20th Century Club

Mrs. Elmer Seller was hostess to members of the Twentieth Century Club on Wednesday afternoon for their February meeting. Miss Carrie Pierce and Mrs. Ida Pierce were co-hostesses.

The meeting was opened with the reading of "The Optimist's Creed" by Mrs. Lee Reeves, the president. During the business session five dollars was subscribed to the Red Cross Fund.

The subject for the afternoon, "The Far East," was presented by Mrs. O. L. Davis. Having served in India and the Philippines as a Christian educator, the speaker was well qualified to present her subject from that angle and brought to her listeners vivid pictures from her interesting and enriching experience. She pleaded for more enlightenment and understanding of the people of India groping in their new found freedom. "India today," she said, "has many problems of mass destitution, dire poverty and increased living expenses but is trying to lift illiteracy, expand industrially and form a united church of India." Following her talk Mrs. Davis displayed articles of interest from the Far East.

Miss Carol Kelly presented three piano selections for the enjoyment of the club members. Miss Merlyn Stierwalt assisted Mrs. Seller and Miss Pierce in serving refreshments during the social hour.

Coterie Entertained  
With Family Party

Coterie members entertained their husbands, families and friends at the home of Mrs. George Garrett on Sunday night, Feb. 20. This was the occasion of the annual dinner and this year marked the 54th anniversary of the club. Forty were present to enjoy the feast, which was crowned by Mrs. Garrett's famous baked ham.

Mrs. Ivan Ruark, Mrs. Nathaniel Huckleberry and Mrs. Harold Stewart composed the program committee. Art Miller, DuPaul student who is active in college dramatics, gave two readings which were highly applauded. An attractive film, "Our State Parks," was a highlight of the entertainment.

Group singing of songs old and new, was led by Granville Thompson. These led to extemporaneous songs by Dr. T. A. Sigler and Bill Berge and a piano solo by Jim Poor, which pleasantly rounded out the evening.

Program Given By  
Members of Morning Musicales

The Greencastle Morning Musicales met with Mrs. J. O. Hinken Wednesday morning.

Mrs. Hinken, who had charge of the meeting, presented a mixed program of piano and vocal numbers. Selections from modern composers as well as from the classical and romantic schools were given and met with much appreciative applause.

The program included numbers by Miss Mabelle Wright, Miss Nelda Werneke, Mrs. J. O. Hinken, Mrs. Robert Montgomery and Mrs. Arthur Perry was the accompanist.

June Hiestand Hostess  
To Club

The Third Wednesday Club met at the home of June Hiestand on Feb. 16th for an all day meeting. Fourteen members and two guests were present. The morning was spent in visiting and at the noon hour everyone enjoyed a chicken dinner.

In the afternoon the business meeting opened by everyone singing "Brighten the Corner." The president, Olus Hutcheson, called the meeting to order, and dues and donations to the flower and card fund were collected.

Dresses made by the members were exhibited and are to be sent to the girls at Riley Hospital. The secretary, Crystal Hutcheson, reported that 50 valentine favors were made and sent to Riley. It was decided to give the comfort and box of household articles to Harrison Hood's family whose home was destroyed by fire.

The club then voted to present Emma White with a gift as she has been ill and to donate to each the March of Dimes and Cancer Fund.

The meeting adjourned by all repeating the club prayer. The hostess then conducted contests, which were won by Eula Wells, Olus Hutcheson, Ida McElroy and Bee Hood.

Members present were Faye Fulford, Maude McElroy, Nellie

Duell, Frances Wagner, Shirley McElroy, Crystal Hutcheson, Sophia Hood, Eula Wells, Ida McElroy, Rena Smith, Olus Hutcheson, Lucile Herbert, Emma White and June Hiestand. The guests were: Mrs. Jewell Trout and Mrs. Harrison Hood.

Next meeting will be with Faye Fulford on March 16th.

## NEW DODGE

(Continued from Page One)  
inch travel adjustment of front seat.

Dodge's functional design has resulted in an attractive exterior style with graceful body and fender lines and a new low silhouette. Massive sheet metal fender sections have been avoided. Fender units are bolted on and, if necessary, can be quickly and easily replaced at minimum inconvenience and at least cost.

Front and rear doors swing wider, opening almost a full 90 degrees, to make it easy to enter or leave the new Dodge. Rear doors of sedan models are hinged on the center post further contributing to ease of entry as well as providing an important safety factor. Forward motion of the car tends to swing the rear door closed if it is accidentally left open.

The front end of the new Dodge is highlighted by the massive chrome finished grille of simplified design which is easy to keep clean. Headlights are spaced 5 1/2 inches further apart and are 3 1/4 inches higher than previous models. This, together with improved sealed beam headlight units, assures better road illumination for safer night driving.

Instrument panels are completely restyled with all instruments centered in front of the driver and recessed into panel to avoid confusing light reflections. Rotary controls which replace the former push-pull type are grouped for easier access and clearer appearance. Instrument panel lighting adjustable from dim to bright and a combination ignition and starter switch are new features.

All models continue to feature the famous Dodge fluid drive as standard equipment. In addition, there is a new Gyro-Matic transmission which frees the driver from gear shifting. It will be

available as optional equipment on Coronet models. The Coronet and Meadowbrook lines include three four-door sedan models, a club coupe, a convertible, an 8-passenger sedan and, for the first time in

a number of years, Dodge will have a station wagon. The Wayfarer line will include a two-door sedan, a 3-passenger coupe and a new roadster which is scheduled for later production.

## ARMISTICE SIGNED

Jordan troops, however, never have occupied Beesheba in strength and it is doubtful if the Transjordan claim would be considered any stronger than the Egyptian claim.

The two armies agreed not to advance across the lines laid down in the agreement. They pledged themselves to keep "scrupulously" the UN Security Council's injunction not to settle the Palestine problem by force.

The agreement cleared the way for complete peace in the Holy Land. United Nations officials were optimistic that the armistice would be followed by a final peace settlement.

## Studies Report On Hospital Death

INDIANAPOLIS, Feb. 24.—(UP)—Governor Schriker today studied a report submitted to him on the death of a 75-year-old inmate of the Richmond State Hospital last week.

Arthur G. Loftin, acting director of the Indiana Council for Mental Health, said the formal report said that William Stewart was "definitely" assaulted.

Stewart died Saturday and authorities said he had been badly beaten.

## Rotary Host To Over 40 Guests

Recreation and music leaders from Putnam and surrounding counties left the Rotary sponsored Music and Recreation Institute held yesterday with a wealth of material they can use in their local clubs and organizations.

The local Rotarians were uncheon hosts to over 40 of the participants in the institute at their regular noon luncheon. Marvin Myers, assistant musical director of Purdue University, told the group of the importance of music and recreation in the changing pattern of life in America today. He dramatically pointed out the vast amount of education that could be accomplished with a very small percentage of our tax funds now being used for defense and military purposes.

Lenore Foster, Rush county demonstration agent, and Dennis Norman, county recreation director of Adams county, were in charge of the recreation session while Mr. Myers led the discussions and demonstration of the song leaders.

Rotary Clubs of the state especially the Greencastle group are to be congratulated for sponsoring this type of training for members of various civic, social church and other organizations.

## Alleged "Spy" Denies Charges

NEW YORK, Feb. 24—(UP)—Anna Louise Strong, pro-Communist American writer kicked out of Russia as a "spy," denied today that she ever took part in "espionage or sabotage" against the Soviet Union or any other state.

The 64-year-old writer, who arrived here today, declared that Russian authorities had mistaken her "energy as a news-

paperwoman" for "spying."

However, she refused to denounce Soviet officials who deported her to Poland early this week. Instead she lambasted the 30 reporters and photographers who met her plane at La Guardia air port for "mistreating her worse than anyone did in Russia."

Three FBI agents whisked Mrs. Strong from the airplane into the air terminal building

upon her arrival on a TWA plane at 12:51 A. M. They questioned her in secret for three-quarters of an hour and handed her a subpoena to testify before the New York grand jury investigating Communism and espionage. "I have not done anything against the security of the Soviet state or any other state, either by espionage or by sabotage," the gray haired journalist declared.

## Tough Guy at 14

**LED BY POLICEMAN**, 14-year-old Lawrence McQuarrie goes to Boston, Mass., court to face charges of shooting a druggist during a holdup attempt. Earlier he stole a revolver from an Andover, Mass., state police barracks while being questioned about running away from home. That's not all — police found four knives and a hypodermic syringe on him. Now the "tough guy" is in a hospital for observation. (International)

## ARE YOU A BELIEVER?

We may think so—but what does God say?

What follows you?  
On whose word can you rely, that you are what you think you are?

St. John 14:1 . . . Ye believe in God, believe also in me. Verse 6 Jesus saith unto him, I am the way, the truth and the life: no man cometh unto the Father, but by me.

St. John 7:37, 38, 39 He that believeth on me, as the scripture hath said, etc. Not as grandma said, but as some preachers have said, but as the scripture hath said.

St. Mark 16:15-18 And these signs shall follow them that believe, etc.  
Even as young as 4 years, believe: obey the gospel as the scripture hath said; speak in other tongues as the spirit of God gives utterance, used of God to lay hands on the sick and they recover. Just simple child like faith. A little Chinese girl was blind with the Holy Ghost, and sang in English: "I'm glad I'm one of them." English to her was another tongue as she knew only Chinese.

A mother was sick, her little child prayed for her, the mother fell asleep and woke up healed.  
In Acts 28:3 A viper fastened on the hand of Paul and he "shook off" not played with it. And God suffered no harm to come of it.

God will protect, if you only believe.

If we continue in belief and obey God's word we shall be saved.

In Hebrews 3:12 God speaks of " . . . an evil heart of unbelief."

Again in Jeremiah 17:9 The heart is deceitful above all things, and desperately wicked: Who can know it?

Are you a believer? Or an unbeliever in God's sight?

Verse 7 Blessed is the man that trusteth in the Lord, and whose hope the Lord is.

Proverbs 14:16 A wise man feareth and departeth from evil: but the fool rageth and is confident.

Is this, too, your last call?

Jan. 30, 1949 at 402 W. Fair Creek Blvd., Indianapolis about 1,000 voices gently pleading in song. A certain young man was there. A little later 4:55 p. m. a beautiful dedicatory service of the new pipe organ by Mallory W. Brandtford. Nearly 1,500 gathered.

Again the 21 year old youth was there.

Soon the evening worship but the young man was not there.

The mother singing in the choir called out to heart: (Oh God!) your son is dead—murdered!

"Here today and gone today!" the pastor warned those gathered to pay last respects the following Thursday.

Today is the day of salvation. Today if ye hear my voice harden not your heart.

What if this is your last call? Where will you spend eternity?—Winnie L. Arnold, minister, phone 295-W. pd.

From where I sit ... by Joe Marsh

**How's Your Listening Time?**

Buck Howell and I were in Baltimore last week. Dropped in at Bob's diner where some friends were sitting around talking about whether to sell hogs now or wait.

Buck plunges right into the discussion. He's lecturing away when suddenly they all stand up and start stomping their feet like it was an Indian war dance.

I'm flabbergasted. But Buck only looked sheepish and explains, "Guess I was talking again, when I should've been listening. When a person's talking time gets out of

line with his listening time around here, the gang reminds him by standing up and stomping."

From where I sit, that's a good system. Everyone has a right to his opinions—but others have a right to theirs, too—whether it's deciding between to sell or not to sell, apple pie or cherry pie, or a glass of mellow beer or cider. Life's more interesting that way, and hang it if you don't sometimes learn something!

construction of \$10,000 dwelling units in six years.

The measure, which is expected to go to the Senate floor promptly, was approved after the committee rejected a proposed anti-segregation clause. This proposal, by Sens. Bricker (R) Ohio, and Cain (R) Wash., was defeated 10 to 2.

Bricker, Cain and Sen. Robertson (D) Va., voted against the compromise bill. Sen. Capehart

(R) Ind., was absent.

The Bricker-Cain proposal would have banned racial segregation in federally-subsidized projects.

WASHINGTON, Feb. 24.—(INS)—President Truman declared today that if European recovery is achieved speedily, the Marshall Plan may not be needed for the full four year period presently scheduled.

At his weekly news conference, the President was asked to

comment on reports that Britain has virtually recovered from the impact of the war. One newsman quoted a statement by a British spokesman to that effect and asked whether, in view of the state, the U. S. should continue to pour its resources into England under the Marshall Plan.

The President answered with characteristic bluntness. He said that if European recovery takes the full four years, the Marshall Plan must be continued for that time. But he added, if European recovery takes less, it will be a happy situation.

## TWO WOMEN ARRESTED

VIENNA, Feb. 24.—(UP)—Two American Army Department women civilian workers were arrested Tuesday by Russian soldiers and detained for a short time, the U. S. Army Post Marshal's office said today. The women, Carol Hackel, a bookkeeper of Berkeley, Cal., and Constance Cole, were here on a visit from Nuernberg. The former is married to an Acme news photographer.

The Russians seized them when they photographed a Russian-occupied building in the Soviet Zone and took them to the Soviet Kommandatura in Vienna, where their films were seized. Among the pictures they carried was one of Generalissimo, Josef Stalin.

## Some Hope Seen In Flood Threats

By United Press  
Army engineers and weather forecasters said today that disastrous spring floods along the Mississippi river and its tributaries may be avoided provided the spring thaws are not accompanied by heavy rains.

They said the next five days might be critical in determining how fast the heavy snowdrifts covering western ranges will

melt. But some areas already were battling against threatened floods. At Ely, Nev., army engineers planned to channel expected spring torrents from the Robinson-Gleason creek snowshed directly down the city main street to save the residential districts. The engineers called for 28,000 more sandbags to bolster the walls built along the street's curbs to retain the water. All traffic was re-routed around the main street.

At Elko, also in eastern Ne-

vada, thousands of were laid against the rising Humboldt river. Rain fell today over Illinois, Michigan and but weather experts threat of floods had Middle West. Streams threatened to overflow and in Minnesota. Snow fell over the caused some drifting but snowplows were clear swiftly the few roads that were closed.

## 23 KILLED

HONG KONG, Feb. 24—(UP)—Twenty-three persons were killed today when a twin-engine Cathay Pacific Manila-to-Hong Kong airliner crashed into a hillside during a heavy fog.

The dead included three Australian crewmen and a British stewardess from Hong Kong. The passengers, mostly Chinese merchants, included three children.

An eyewitness said the crash occurred as the plane approached the fog-bound airport at low altitude for a landing.
